

# CIGRÉ Canada Women in Engineering Luncheon

---

Monday, October 2, 2017 | 11:30 – 13:00

RBC Convention Centre Winnipeg | Meeting Room 17 (ground floor)

---

CIGRÉ Canada Women in Engineering is pleased to host the following presentations during the WIE Luncheon on Monday, October 2, 2017.

The purpose of the presentations is to promote further thought and conversations regarding gender diversity within the engineering profession:

***Where are we as an industry?*** An overview of recent women in engineering survey results

Marcia Friesen, PhD, P.Eng.

Associate Dean (Design Education), Faculty of Engineering & Director, Centre for Engineering Professional Practice and Engineering Education

University of Manitoba

***What are we striving to achieve?*** An overview of the Engineers Canada 30-by-30 Initiative

Andrea Watts, P.Eng.

Regional Engineer, Aircraft Certification

Transport Canada

***How can we get there?*** Initiatives that can be implemented now to increase gender diversity

Kathryn Atamanchuk, P.Eng., MBA, PMP

Engineer in Residence

University of Manitoba
